*Welcome*  
TO THE WORLD OF  
**BRAVA**

**Welcome to our WORLD**

At Brava, we are here to guide you to the ultimate working environment, be it a new development or an existing workplace refurbishment, from consultation to design and planning through to product selection, our aim is to deliver a practical workplace that is aesthetically pleasing and within an agreed budget.

Where possible we always suggest demountable systems, not only does this allow for easy reconfiguration, but a simple solution at the end of a tenancy term:-

**Brava Storage Wall**

Is simple to reconfigure or remove, although with a permanent look, it is a free standing system that is simply 'tied' to the ceiling and on removal leaves no remedial work to a buildings structure. Our Storage Wall system is manufactured in our bespoke factory.

**Brava Partitions**

Demountable, easy reconfiguration or removal, having a capability to adjust both at the top and bottom to the vagaries of an in-situ ceiling or floor, makes the system ideal for refurbishment contracts.

**Contract Furniture**

Our Contract furniture range is ideal for Student Accommodation situations, Nursing Homes and Care Homes, both new build and refurbishment. Being a manufacturer we are able to accommodate the not so obvious or fit that awkward corner. Our Veneer capability enables an up-spec to high end hotel work.

**Furniture and Seating**

We work with a number of other UK manufacturers to deliver a complete package and a truly exciting workplace. Our furniture ranges offer incredible value for money, our expertise in Veneer finished furniture enable high end furniture in both reception and boardroom situations at very competitive cost.

**Computer Aided Design**

The complete design solution is offered, both CAD plans and 3d rendered drawings, for that truly 'how is it going to look answer'. Brava offers initial consultation and advice, is happy to work with designers and contractors to ensure smooth delivery of a project.

Another Brava design solution nearing completion.

**Storage Wall**

Simply the most practical use of space, configures to Media Display and Presentation, Storage, Filing, Cloak hanging, fully demountable and relocatable.

**Partitioning**

Brava demountable partitions arrive on site totally pre-finished, therefore quickly erected and ready to use, all doorsets are pre-hung into frames with ironmongery (lock @ case) already in place.

**Contract Furniture**

Suitable for University halls of residence and Care Home situations our time served craftsmen can also deliver the highest specification to include real veneer finishes.

**Office Furniture & Seating**

The Brava range is a simple desking system that is high in quality, high in specification and very price competitive, complementing this range we offer a superb selection of office storage and filing solutions together with a full range of meeting room tables.
