

Brava Lifestyle... creating contemporary environments that help shape the future of Further Education.

Brava provide innovative furniture solutions that go beyond the obvious.

The new state-of-the-art campus at Middlesbrough College demanded interiors to match.

Alongside architects and education professionals, the experts at Brava Lifestyle worked on the project from concept to installation, delivering some breath-taking purpose-built interiors.

RECEPTION AREA:

At the heart of the college, the main reception area revolves around a striking 27-metre solid wood central desk, with design input and material suggestion, Brava provided an easily-accessible focal point for visitors.

INTERNET CAFÉ:

Vibrant and modern, Brava designed and manufactured the perfect environment for students, staff and visitors to work meet and relax. The multi-functional space comprises of purpose-built coffee bar, desk and seating combinations together with soft seating areas, all finished in the eye-catching college colours of red and blue.

TRAVEL SHOP:

Brava Lifestyle was tasked with designing and manufacturing the college's Coliseum Travel Shop, combining fluid lines with superior quality furnishings and fittings to maximise space and create a welcoming ambience for visitors.

HAVEN RESTAURANT:

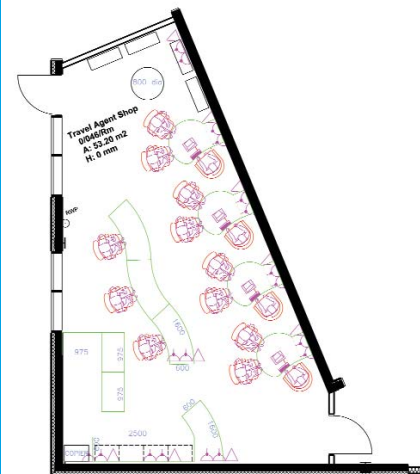

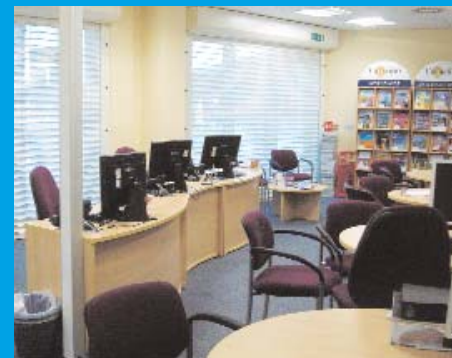

The epicentre of the college's catering department, Brava created a luxury dining facility. In contrast with the rest of the college, Brava Lifestyle designed an impressive yet intimate dining environment, the centrepiece of which is a sophisticated bar area fitted out in sleek dark wood together with matching reception area. Brava selected tables and chairs to complement the classic feel of the restaurant.

HEALTH AND BEAUTY DEPARTMENT:

Designers at Brava came up with the bespoke vanity units for the college's state-of-the-art health and beauty school. Brava also supplied partitioning from their renowned M Line partition range, creating an environment that is both practical and stylish, the hair salon selecting a dark wood finish. Brava were able to manufacturer a matching reception unit that is both practical and aesthetically pleasing.

LECTURER'S STORAGE:

Brava's innovative storage solutions came to the fore when faced with the challenge of creating on-campus storage for staff materials. Accommodating a large staff is a challenge in any environment and using a CAD rendering computer system, Brava put forward a number of options. Brava's storage units utilise available space to its best advantage while blending seamlessly into the pristine modern surroundings.

The plan for the design and manufacturer of the Travel Shop - which combined fluid lines with superior quality furnishings and fittings to maximise space.

We were invited to put forward furniture suggestions which reflected the contemporary style of the new eye catching building...

...the solution for the main reception area was this custom made solid wood 27 metre central desk that immediately proved a hit with staff and students alike!

WHAT THE COLLEGE SAID...

“Even before we open the building, we are receiving favourable comments about the stunning reception area.

We are delighted by Brava’s interest and commitment in the design and development of furniture for the new college. Having initially contacted Brava about work on the reception area, we have benefited from their expertise in many other areas of the college campus.”
